### Private Lessons

**Private Lesson Descriptions / Pricing**  
Private lessons are designed for individuals who would like to have a more private and individualized swimming experience. Private and Semi Private swim lessons will be available during every lesson session. Exact times will depend on instructor availability, but every effort will be made to try to accommodate you in a session at the time you request.

**PRIVATE LESSONS ARE OFFERED FOR RED CROSS LESSONS ONLY**  
Full payment is required when registering. All registrants must book a minimum of 5 lessons. Preference will be given to those who book for 10 lessons. Participants must be within 2 swimming levels of each other for semi-private lessons. St. Clair College does not match participants for semi-private lessons.

Please notify the aquatics office in advance if a lesson is going to be missed. Only missed lessons that have been given advanced notification will be given a credit towards a "make up" session. Semi Private lessons with a 1:2, 1:3 and 1:4 Instructor to Student ratio will only receive credits if all the students are absent. No individual credits will be given if other students are still in attendance.
